Who We Are

As the world's largest tech care solutions company, we enhance people's lives by helping them protect, connect and enjoy their devices.

What we do every day

We work hard to ensure our 350M+ customers worldwide have the tech protection, repair services and customer support they need to keep their lives running uninterrupted. We do everything from repairing or replacing damaged devices and home appliances to setting up the latest addition to a connected home.

Grow your career with us

"I love that our team at Asurion stays on top of industry trends and quickly adapts to changes. We're confident in our tech know-how and our ability to solve everyday tech problems."
